The Russians continue their advance, forcing the Germans back step by step. While the main army is repelling the fierce onslaughts of Field Marshal von Hindenburg, who is trying to reach Warsaw, other forces take Kirlibaba Pass, on the Transylvanian border The capture of this pass is expected to hasten action by Rumania

and compel the Germans to send troops for the defence of Eastern In a desperate bayonet charge on the Vistula the Germans captured

only one Russian trench, this being their seventh attack Regarding the German victory at Soissons, in France, as one of the greatest importance, the Kaiser has decorated the commanding officers the field. It is said the Germans counted 5,000 French dead.

A French official statement reports a gain of 200 yards in the region of Nieuport and Lombaertzyde, and says that French artillery forced he Germans to evacuate trenches in what is known as the Great Dune. At Biangy the French have recaptured a foundry and they have denolished the enemy's trenches near La Boisselle.

The repulse is also reported of German attacks at Tryon and
